RAMALLAH, PALESTINOW.COM —The Fatah movement considers the participation of Indonesian Muslim scholar at the Jewish-American relations conference in Jerusalem as a crime against Jerusalem, the Palestinians and Muslims in the world, and seated with the Israeli occupiers against our Palestinian people.

Fatah spokesman Osama al-Qawasmi said in a statement that Yahya Staquf's participation, "secretary-general of the Indonesian Muslim Organization Nahdlatul Ulema," at this conference in occupied Jerusalem was a betrayal of religion, al-Aqsa and resurrection, the Palestinian people and the Arab and Islamic countries.

He asked Indonesian government and pro-Palestinian Indonesian officials and Indonesian people to hold accountable those who sell themselves to demons and want to be instruments in the hands of Zionists and Israelis.
